Weekly Update

It was lovely to see so many of you attending the Parental Consultation Evenings this week. If you were one of the parent / carers who were unable to keep your appointment, please can you speak to your child's teacher to arrange another mutually convenient time. Just before Christmas we will send out a report that will give you the most up-to-date information on where your child is compared to 'Age-related expectations.'

One of our aims as a school is to introduce our pupils to lots of different experiences so that they get a taster of possibilities for the future. This week and next week, every child will have the opportunity to have a taster Taekwondo session with Jason who currently runs clubs on both sites. Thank you Jason for taking the time out of your busy schedule to share your expertise with our pupils. We may have some budding stars of the future!
