Head's Headlines

Happy Friday!

We had a jam packed celebration assembly today, it gives me great pleasure to see how many children are bringing things in from outside of school. Lots of you must have had very busy breaks!

Year 5 had their stunning start day this week too, which was incredible! We're hoping to release the video of the travel through the Egyptian tomb with their torches on the school Facebook account this weekend if we can, watch this space!

Viking day has been a huge success for Year 4, Olaf spent the day with the children exploring all things Vikings, there were battles and lots of exciting activities throughout the day. Olaf even ate with the children during lunchtime.

The new timetables across the school has been really effective, children are having access to a range of different adults over their day and they are really excited about the activities they have been doing.

Looking forward to the 30th January 4pm -5pm, we are welcoming Compass back to school after a really successful staff training session this week on Drugs Awareness. They have offered to do the same information evening for parents after school. This is an adult only event due to the nature of the topic. We hope to see lots of you there as this is completely free and refreshments will be provided.

Here are some of the photos of the week this week;
