## Head's Headlines

What an end to a very busy week!

Today, we started off the day with an excellent Celebration Assembly from Mrs Taylor. It was so wonderful to see so many parents there and some new born faces too! The children love then sharing their success together after assembly with tea and biscuits, it means a lot to them.

This has been a very busy week back on week one of the timetable, there has been some amazingly wild art produced in Forest School displayed outside of Year 6. Some *magnifique* French taking place across the school- Year 6 don't miss the date in the diary for a French based non-uniform day... they'll be introducing a French fashion show! Governors were also thrilled with the skills progression evident in our sketch books this week too, Miss Lines has been using a range of techniques and resources across the school to develop this subject.

We're hosting our first netball tournament tonight and I wish the whole team every success for the event. Thank you for representing our school and my thanks extend to Miss Francis and Miss Wilson for coordinating the team.

Have a wonderful weekend, we're looking forward to welcoming the children back on Monday morning. Don't forget the Drug's Awareness session next week, it's on Thursday 4:00pm-5:00pm and staff have generously volunteered to run a childcare session for the event. Please respond on parentmail to register your interest.
