Head's Headlines

Dear our Parent and Carer community,

This week, we've been busy building up to NSPCC Number Day 2020 today! Please visit our cake sale this afternoon where treats range from 20p to 50p so please come and check it out. If it's dry, we'll be hosting on the front playground, if it's not we'll be in 3 Maple selling for charity.

Looking to next half term, we have World Book Day on March 5th where we will be raising the profile of reading at bedtime by doing a whole school pyjama day. **Children do not need to bring in £1** to do this, but we do ask that they bring their favourite book to share with a friend. According to research, 43% of children were reading daily in 2015 compared to just 26% now. Our aim is to continue to raise the profile of reading in and out of school. On that note, if you'd like to come in and hear readers in school we would be very appreciative!

Parents of Year 4 and 6, keep your eyes peeled for important dates in your weekly Learning letters as after half term there will be some important information evenings for you. One, for Year 4, will be an information meeting about the Multiplication Table Check. As a school, we will have a 3-week check window, starting on Monday 8 June, to administer the Multiplication Table Check. Teachers will have the flexibility to administer the check to individual pupils, small groups or a whole class at the same time. The second, for Year 6, will be a SATs information evening. If you have a child in Year 6, in May, they will take National Curriculum tests in English grammar, punctuation and spelling, English reading and mathematics. The tests help measure the progress pupils have made and identify if they need additional support in a certain area. The tests are also used to assess schools' performance and to produce national performance data.

Also, Thursday was a bitter sweet day for staff and pupils here at Henry Hinde Junior School as one of our most loved members of staff started her well earned Maternity Leave today. She will be greatly missed in school but what an exciting new chapter she is beginning. Don't panic though we will keep you posted on any baby news in the near future!

The photos from this week are all from 6 Pine's French fashion show this week. Très bien 6 Pine and Mr Baird!

Attendance

Our whole school attendance for the last week was **94%**

The class with the highest attendance for the last week was **5 Birch** with **97%**

Stars of the Week

Learning: Molly Jacob, Dara, Freddy, Isla, Macy, Alfie, Ella

School Kitchen Vacancies

Educaterers are looking for 2 x Catering staff
5 days per week to work in our school kitchen.
Please call Jane on 07920071114

Dogs on School Site

It has been brought to the Parent Advisory Group's attention that some children are very anxious to pass pooches at the school gate. Please be mindful that some children (and adults) have genuine fears of animals and feel highly anxious passing them in close proximity. Please can I remind you that there are no animals allowed on school site.

Thank you for your support.

Year 6 Non School Uniform Day

6 Ash are invited to come to school in non school uniform on Wednesday 12th February

This is because as part of their French learning they will be organising and taking part in a French Fashion Show.

Stay Safe Online

After some unsafe mobile phone usage outside of school that has been reported to staff. This poster is from the NSPCC website and worth sharing

TIPS TO STAY SAFE ONLINE

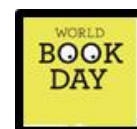

There are lots of things you can do to keep yourself safe online.

- **Think before you post.**
Don't upload or share anything you wouldn't want your parents, carers, teachers or future employers seeing. Once you post something, you lose control of it, especially if someone else screenshots or shares it.
- **Don't share personal details.**
Keep things like your address, phone number, full name, school and date of birth private, and check what people can see in your privacy settings. Remember that people can use small clues like a school logo in a photo to find out a lot about you.
- **Watch out for phishing and scams.**
Phishing is when someone tries to trick you into giving them information, like your password. Someone might also try to trick you by saying they can make you famous or that they're from a talent agency. Never click links from emails or messages that ask you to log in or share your details, even if you think they might be genuine. If you're asked to log into a website, go to the app or site directly instead.
- **Think about who you're talking to.**
There are lots of ways that people try to trick you into trusting them online. Even if you like and trust someone you've met online, never share personal information with them like your address, full name, or where you go to school. [Find out more about grooming.](#)
- **Keep your device secure.**
Make sure that you're keeping your information and device secure.
- **Never give out your password.**
You should never give out your password or log-in information. Make sure you pick strong, easy to remember [passwords.](#)
- **Cover your webcam.**
Some viruses will let someone access your webcam without you knowing, so make sure you cover your webcam whenever you're not using it.

World Book Day

Thursday 5th March 2020

This year we are inviting children to come to school wearing their PJ's to promote bedtime stories nightly.

A Big Thank You!

We would like to extend a massive thank you to Mr McNulty, of McNulty Construction who as been into school in his own time and painted the display boards which now feature our stunning values tree., Thank you.
